Dear Dean:

Re: Colbert Landfill Billings #1 and #2

Enclosed please find the first two invoices from Ecology for the Colbert Landfill project. The two billings are as follows:

1. Billing #1 - This invoice is for past oversight costs by Ecology for \$386,541.50. This invoice covers the time period from 4/1/84 through 5/31/88. The costs for past oversight are a part of Ecology's Mixed Funding contribution towards the Colbert Landfill cleanup as outlined in the Consent Decree (Section XVII - Payment of Costs). Therefore, DO NOT PAY INVOICE BILLING #1.
2. Billing #2 - This invoice is for future oversight costs by Ecology for \$44,216.89. This invoice covers the time period from 6/1/88 through 3/31/89. The costs for future oversight (the first \$100,000) are also a part of Ecology's Mixed Funding contribution towards the Colbert Landfill cleanup. Therefore, DO NOT PAY INVOICE BILLING #2.

These two invoice billings are being sent to you for informational purposes only. You do not need to sign nor return the invoices. A short note back to me that you received them and understand them is sufficient.

If you have any questions, please give me a call at (206) 438-3043 or Scan 585-3043.

Sincerely,

*Mike Blum*
